

Movistar Plus+ International

An original Movistar Plus+ series by Javier Ambrossi and Javier Calvo

Javier Ambrossi and Javier Calvo join the Movistar Plus+ creative talent with their next project, 'La Mesías'

An original Movistar Plus+ series in collaboration with Suma Content, written, directed and produced by Javier Ambrossi and Javier Calvo.

'La Mesías' is a family thriller about overcoming trauma and religious fanaticism, which blends genres and eras. The series will soon be available on **Movistar Plus+**.

Spanish creators **Javier Ambrossi** and **Javier Calvo** have presented in Madrid **'La Mesías'**, a new original series from **Movistar Plus+** that will be hitting the platform soon. **'La Mesías'** is the most ambitious, thoughtful and complex project of the creative duo after hits like **'La Llamada'**, **'Paquita Salas'** and **'Veneno'**.

Javier Calvo explained their goals with **'La Mesías'**: *"We want to go a step further than we did in 'Veneno', by creating an almost apocalyptic family drama and delving once again into faith, but from a darker and more painful place"*.

Javier Ambrossi added: *"It has been almost a year and a half of very intense work. Of documentation, research, writing, making an in-depth study of the issues we want to address. I couldn't be happier to be sharing with the world today this series that has found its home on Movistar Plus+"*.

The event was also attended by **Domingo Corral**, fiction director at **Movistar Plus+**: *"Javier Calvo and Javier Ambrossi are exceptional creators, with a unique, personal and universal perspective. Movistar Plus+ is a Spanish platform that supports the best creative talent in Spain. We are now fortunate to be able to work with Javier Calvo and Javier Ambrossi, who will undoubtedly help us tell the stories we want to create"*.

After five years of original productions on **Movistar Plus+** with creative talent of the calibre of **Alejandro Amenábar**, **Rodrigo Sorogoyen**, **Anna R. Costa**, **Alberto Rodríguez**, and **Leticia Dolera...** we are now joined by **Javier Calvo** and **Javier Ambrossi**.

'La Mesías' is a **Movistar Plus+** original series in collaboration with **Suma Content**, written, directed and produced by **Javier Ambrossi** and **Javier Calvo**.

Movistar Plus+ International will be handling the international sales of the series.

Synopsis

The viral video of a Christian pop music group made up of five sisters impacts the life of **Enric**, a man tormented by a childhood shaped by religious fanaticism and the yoke of a mother with messianic delusions.

'La Mesías' is a family thriller that deals with overcoming trauma, faith as a tool to fill the void and art as the only escape from terror.

About Javier Ambrossi and Javier Calvo

Winners of the Ondas Award, two Feroz Awards, two Fotogramas de Plata, and nominated for the Goya Awards for Best New Director and Best Adapted Screenplay, Javier Ambrossi and Javier Calvo are the creators behind some of the most powerful brands that have connected with the public in recent years: the phenomenon 'La Llamada', an unprecedented underground theatrical musical and later a highly successful film; and the cult TV series 'Paquita Salas', now in its third season on Netflix. Their latest creation 'Veneno' is one of the most nationally and internationally recognised fictions of recent years, becoming a phenomenon in the U.S. Considered one of the best series of 2021 by sources such as Variety, The New Yorker and The New York Times, and winner of two Iris Awards from the TV Academy and the GLAAD Award. Together, the pair have embarked on a new adventure with their production company Suma Content, which was created with the aim of promoting new talent and creating products that reflect their way of seeing the world, such as the award-winning series 'Cardo'.
